

Once again our kids are anxious for summer to arrive. Our pool has been well maintained and is ready for all of us to enjoy. Enclosed is a pool registration form for those of our neighbors who haven't registered in the past. If you have already registered, just come by and pay the renewal fee of \$5. **Remember, your maintenance fees must be paid in full before you can register or even renew your form.**

Memorial Weekend is the first weekend our pool will be opened, including that Monday. The pool will be closed for cleaning the following day, Tuesday May 27th. Starting Saturday, May 31st, the pool will be opened for the summer with the following hours:

Mondays closed for cleaning

Tuesdays thru Saturdays 10 a.m. – 9 p.m.

Sundays 12 noon – 7 p.m.

The pool should only be closed if:

There is lightning and thunder.

The chemicals are at unsafe levels.

Of course, you know there have to be some Don'ts and they're posted at the pool entrance. Please observe the rules and be courteous to those in charge of enforcing them (lifeguards and gatekeepers). One of those Don'ts is having parties at the pool during normal hours. If you want to have a private party, please arrange that with Consolidated Management for after hours. Extra lifeguards cost all of us more money. And without those extra guards, the pool would be unsafe (not to mention crowded). It's unfair to ask your neighbors to foot the bill for your party. And it's also unfair to expect them to be able to relax while being bombarded with your party guests.

As in the past, the children of Greengate 9 years and older are allowed in the pool without adult supervision. However, **when no adult is with them**, only residents 15 years of age or older can bring one (1) guest from outside Greengate. The guest fee is \$1. That guest cannot be a Greengate resident who has not paid their maintenance or registration fees.

For safety reasons, pictures have been requested of all family members registered to use the pool. **Please be sure that we have updated pictures.** Some residents have not provided any pictures and will be photographed by the gatekeeper for an additional \$3 before being allowed in the pool. The \$3 is over and above the registration/renewal fee in order to cover the cost of the camera and film.

If you have a concern while at the pool, please feel free to let the gatekeeper know. Let's work together to keep our community looking and feeling good!

## Greengate Place Resident Pool Pass
